Item 1.01. Entry into a Material Definitive Agreement

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On July 12, 2017, KaloBios Pharmaceuticals, Inc. (the “Company”) issued a press release announcing that it had received an additional commitment for net financing proceeds of up to approximately \$5.0 million from its key investors. A copy of the press release is filed as Exhibit 99.1 hereto and incorporated herein by reference.

Amendment to Credit and Security Agreement

On July 8, 2017, the Company entered into a second amendment (the “Second Amendment”) to the Credit and Security Agreement dated December 21, 2016 (the “Credit Agreement”) as amended on March 21, 2017 (the “First Amendment”) with Black Horse Capital Master Fund Ltd., as administrative agent and lender (“BHCMF” or “Agent”), Black Horse Capital LP, as a lender (“BHC”), Cheval Holdings, Ltd., as a lender (“Cheval”) and Nomis Bay LTD, as a lender (“Nomis” and, together with BHCMF, BHC and Cheval, the “Lenders”). The Credit Agreement provided for a term loan in the original principal amount of \$3,315,217 (the “Term Loan”). The First Amendment provided for an additional term loan in the original principal amount of \$5,978,260.

The Second Amendment provides for additional loans that may be drawn by the Company on a bi-monthly basis from time to time (the “Grid Advances”) in an aggregate principal amount of up to \$5,434,783, less an upfront fee equal to 8% of each Grid Advance (the “Upfront Fee”) due and payable at the time of each such advance. The Second Amendment also requires the payment at maturity by the Company to the Lenders of a commitment fee equal to 5% of the aggregate amount of Grid Advances made, after deduction of Upfront Fees (the “Commitment Fee”). Assuming the entire principal amount of Grid Advances were borrowed the total principal amount of the Term Loan outstanding would be \$14,728,260. In accordance with the terms of the Credit Agreement, the Company will use the proceeds from the Grid Advances for general working capital, the payment of certain fees and expenses owed to the Agent and the Lenders in connection with the Credit Agreement and other costs incurred in the ordinary course of business. Aside from the increase in the principal amount extended, the Second Amendment did not modify any of the terms under the Credit Agreement, all of which will be applicable to the Grid Advances extended to the Company by the Lenders.

The foregoing description of the Second Amendment does not purport to be complete and is qualified in its entirety by reference to the copy thereof filed as exhibit 10.1 hereto and incorporated herein by reference.

Promissory Notes

The Company will issue in favor of each Lender separate promissory notes to evidence each Grid Advance made by such Lender under the Second Amendment. The form of promissory note is attached hereto as Exhibit II to the Second Amendment, and is incorporated herein by reference.

Re: Amendment to Credit and Security Agreement

Ladies and Gentlemen:

Reference is made to the Credit and Security Agreement, dated as of December 21, 2016, as amended by that certain letter amendment dated March 21, 2017 (the "First Amendment") and as so amended and as further amended hereby, collectively, the "Credit Agreement"), by and between KaloBios Pharmaceuticals, Inc. (the "Borrower") and Black Horse Capital LP, Black Horse Capital Master Fund Ltd., Cheval Holdings, Ltd., and Nomis Bay LTD (each a "Lender" and collectively, the "Lenders"), pursuant to which the Lenders loaned to the Borrower (i) the original principal amount of \$3,315,217 and (ii) an additional amount of \$5,978,260 pursuant to the First Amendment. Capitalized terms used but not defined herein have the meanings given to them in the Credit Agreement.

Pursuant to our prior discussions, the Borrower desires to borrow additional amounts from time to time (the "Grid Advances") of up to an aggregate amount of \$5,434,783.00 (the "Maximum Amount") and the Lenders desire to lend such Grid Advances to the Borrower on the terms and conditions set forth in the Credit Agreement and this letter agreement, which terms shall include an upfront fee equal to eight percent (8%) of each Grid Advance (the "Upfront Fee") due and payable at the time of each such advance and a commitment fee of five percent (5%) of the aggregate amount of Grid Advances made, after deduction of the Upfront Fee, due and payable on the Maturity Date.

Further Lenders and Borrower hereby agree as follows:

1. The Borrower may request Grid Advances on a bi-monthly basis from the Lenders up to the Maximum Amount.
2. No Lender shall be required to fund any Grid Advance in the event that (a) the representations and warranties set forth in the Credit Agreement are not true in all material respects, or (b) any Default or Event of Default has occurred or is continuing, (c) such request, if funded in its entirety, would result in the aggregate principal amount of Grid Advances then outstanding to exceed the Maximum Amount, or (d) if Lender has not approved the bi-monthly budget proposed by Borrower.
3. Each Lender's commitment to fund Grid Advances from time to time shall be in the amounts and proportions set forth on **Exhibit I**, attached hereto. Each Lender's proportion of the committed Maximum Amount shall be evidenced by a promissory note in substantially the form attached hereto as **Exhibit II** (the "Promissory Note").
4. The outstanding principal balance of the Grid Advances shall bear interest at the Fixed Rate specified in the Credit Agreement and shall be subject to the Default Interest Rate upon the occurrence of an Event of Default as defined in the Credit Agreement.
5. Except as specifically provided in this amendment and as the context of this amendment otherwise may require to give effect to the intent and purposes of this amendment, the Credit Agreement shall remain in full force and effect without any other amendments or modifications.
6. This amendment may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
7. This amendment shall be governed by, and construed and enforced in accordance with, the internal laws of the State of Delaware, without regard to the principles of conflicts of law thereof.
